This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the request of DAO Travels, LLC d/b/a An Executive Travel (DAO Travels or Applicant) filed October 14, 2011, whereby the Applicant seeks approval of amendments to DAO Travels' Application for a Class C Charter Certificate of Public Convenience and Necessity. The Applicant requests approval of a change in the passenger restriction and maximum rates requested in the Application.

DAO Travels' original Application for a Class C Charter Certificate was filed on September 19, 2011, and the Commission granted the Applicant authority to operate under a Class C Charter Certificate by Commission Order No. 2011-731, dated October 5, 2011. The Applicant now requests to amend the original Application. We note, however, that the South Carolina Office of Regulatory Staff (ORS) issued DAO Travels a Class C Charter Certificate (Certificate No. 8489) on October 24, 2011, and currently, the Applicant's authority to provide passenger service (Certificate No. 8489) reads as:

...to furnish passenger service...as follows:

Between Points and Places in South Carolina,
Restricted To: Seven (7) Passengers.

The Applicant requests to increase the passenger restriction from seven (7) to fifteen (15) passengers. DAO Travels also requests to amend the maximum rates proposed in the original Application by increasing the maximum hourly charge from \$85.00 to \$125.00.

Based upon review of the matters asserted in the present requests, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the request by DAO Travels, LLC d/b/a An Executive Travel for modification of the passenger restriction requested in its Application for a Class C Charter Certificate of Public Convenience and Necessity by changing the passenger restriction thereon from seven (7) passengers to fifteen (15) passengers be, and hereby is, approved. Certificate No. 8489 shall be amended to reflect the revised passenger restriction.

2. That the relief sought in the request by DAO Travels, LLC d/b/a An Executive Travel for modification of the maximum rates requested in its Application for a Class C Charter Certificate of Public Convenience and Necessity by changing the maximum hourly charge from \$85.00 to \$125.00 be, and hereby is, approved.

3. That said approvals are for a change in the passenger restriction and maximum rates authorized by Commission Order No. 2011-731, but does not otherwise authorize any change in the operation of the regulated services.

4. That a modified Certificate shall be issued by the Office of Regulatory Staff to the Applicant as provided herein.

5. That prior to compliance with statutory and regulatory requirements and the receipt of such amended Certificate, the modified motor carrier services authorized by such Certificate may not be provided under the amendments approved herein.

6. This Order shall remain in full force and effect until further order of the Commission.
